"Funding," he pointed out on Facebook, "is not the issue." Busby, an independent candidate for mayor in the Aug. 27 election, says Montgomery needs to do something about city finances - or else. "The best way to do that is to recall Montgomery Mayor Todd Strange," he told us, "and install someone that knows how to take care of the city's budget." No wonder political ads on Facebook say "Save Montgomery" and "Recall Mayor Strange." Busby, a former aide to city council president Carole Moore, ran unsuccessfully against Strange for mayor in 2002. Of course, recall and reinstall aren't always options. But they are, in Montgomery's case, because Strange has little fear of repercussions from city council, which Moore now leads. Strange, who says he is the lowest-paid mayor in the country, has long chafed at the city's spending habits and may finally get his wish - a new state-appointed financial advisor that the city council seems eager to approve. For instance, the council has been pushing Strange to hire a new president of the Management Corporation of Montgomery, a $1.2 million cost to taxpayers that hires a private firm to run things at City Hall, give budget advice and otherwise help keep the city running. 5ec8ef588b
