Mount Blade Warband Manuel Aktivasyon KoduElegante types are few and far between on reality television — the years of training alone are a killer for physical competition. But we shouldn't discount the people who go the distance, who are humble, kind, and skillfully skilled. Here are 11 beautiful, classy people who make it look easy in this economy: 1. Angelina Jolie She's the face of Disney's film adaptation of The Fox and the Hound, but don't let that fool you — she can model, make films, and act to perfection. Her clothing — from Sienna Miller, Ty Pennington, and Sara Foster — is tasteful and elegant, with beautiful pearls or bibs she often accessorizes with. She is always immaculate, whether it's a magazine spread or a red carpet. 2. Dree Hemingway Just look at that face — that scowl is not going anywhere anytime soon. She's a model, and although she has had some success with it, she's better known for playing the role of Gigi in the 2006 movie Gigi. She seems to be the last of the beautiful people — at least for now. 3. Tallulah Buchanan Ms. Buchanan is a former Miss America who's one of the competition's most enduring favorites. She was a mere 19 years old when she was named the winner, and she looks like she's never even suffered a pimple. Her green eyes are surrounded by thick, dark hair and a pouty pout, and she carries herself with elegance. She has dated such stars as Blake Shelton and Tim McGraw. 4. Paige Turley All of those food network shows are always about personal "food porn," but this is actual food porn. You know you're going to look at that just because of the sheer scale of it. She is a chef, chef educator, and is a Food Network Kitchen Gourmand who's won contests and competed on Iron Chef. Her style is flawless, her demeanor is flawless, and the food is pure beauty.
