Autor's Comment: This is an out for elden ring (or sorry for calling it Elden Ring because its a game I played and never finished, maybe some people did play it and know what I mean, but never finish it, a really hard game to play even for me, first of all I played on PC and now with a smartphone I don't understand who is this game for, and third time I called it Elden ring because on official story you need to put polish on your brass to become an Elden lord, and if you don't polish your brass you wont be an Elden lord. So yeah in official story you need to polish your brass and if you fail your mission you go to prison, now if you know the part of the game you know the prison, wait for it, but if you don't know the part you will find yourself in a prison in one way or another (maybe not in a prison but some kind of jail and yeah its called a prison or jail, I was a prison, ok maybe not that bad, ok perhaps it was bad but I was a prison (I finished Elden Ring on PC so I have no idea if it was actually a prison or jail (well probably a jail)) so for people who never play this game or finished the game I don't know how it was like and you can put if you want the polish on the brass (or
