Local News “...the number of large-scale new settlements in the West Bank, the erection of Israeli settlements without permission, which are considered a violation of international humanitarian law, and the continued expansion of settlements in the West Bank.” - UN Security Council Resolution 2334 (2014) It’s been reported that a new UN Security Council Resolution was just adopted condemning settlement building in the West Bank. I wonder why settlement-building is suddenly a problem that must be addressed by the international community. If someone is willing to use the same logic to argue the other side of the issue, perhaps we should be dealing with the bombing of Libya, Kosovo, Iraq, Afghanistan, Yemen, and Syria by the United States, UK, France and their allies. Why is any of this a problem? The Palestinian Authority is urging the international community to impose sanctions on Israel in response to new Israeli settlements that could be built on Palestinian land near the green line

Elden Ring Features Key:

Easy Learning, Easy Completion - No prior experience of any online game is required. You can enjoy

the game without any difficulties, with an even easier learning curve.
Unique Theme - The theme is different to that of conventional fantasy role-playing games. Within a long-standing conflict between good and evil, chaos arises. There are small delicate moments between extreme situations.

Life Activity Tracker - A unique feature allows you to make more informed decisions about your character and is precisely designed for players of all experience levels.

What's new:

Eldar on the battlefield. Get your sword ready

The trailer's best quote: "The Lands Between is at your disposal, and your character will come to be the one to rule it. Rise, and carve out the world for yourself!"

The Buchi give you a new quest and promise rewards.

If this sounds like your sort of thing I'd definitely recommend a visit to the official website for Eldarion.
