In the example i found in the documentation, they are doing it in the controller, setting the relative url to the Image object_id in the controller like so: `this.field('logo').setRelativeUrl('/static/images/logo.png');` This worked well for me until I had a big problem. I needed the image to be uploaded via a form, and I found this code on the object_id field page: `$childHtml = $child_object->getChildHtml`

What's new:

comes out August 30, 2012. And, we have new official The Walking Dead Zombie Flick Game Trailers! They are up now on our Facebook page, so go give 'em a like! Now, let's talk about the new game, (Editors Note: Because people keep voting on these posts, just vote in the comments.) MYTHIC ZOMBIES You are a guy named Lou Corbin and you have been dumped in a Zombie Apocalypse Movie Game. This is the movie game made famous in our Christian Zombie Apocalypse Game Trailer! So, if you're not a zombie yet, well you will be in a Zombie Apocalypse Movie Game & you need to Help Lou Escape The Movie Movie Game 1 Lou in every way possible in this movie game, for 2 players ages 8-12, Lou and his human partner, get to survive along with Lou's 2 poodles who have is some very deep black magic. Lou and his partner can be a father and son, mother and son, boyfriend and girlfriend, or they can also play as brother and sister, or husband and wife who just want to survive this movie game. You can choose to watch and hear the horror movie, Then help Lou with path finding with the Zombies or if you choose, you can make Lou Help Save His Human Partner. But remember, you must always try to stay alive! In this game, Lou runs around in a Mars rover and his partner is designated to drive in his truck. The truck cannot run on sand. So, you know you have to choose right! They have to drive through fences, and over doors to get to their next destination. At times they have to jump into another vehicle to reach their locations. While you play you can drive on foot with Lou or with his partner. You may play with Lou on his Mars Rover or you may play with his partner who is designated to drive in the truck. Can you keep Lou alive so he can Survive the Movie Game &/or Help Save His Partner? What percentage of the player's survivors make it through this game? Lou & his Partner, or only Lou? There is only one outcome to this 2 player survival game. Either Lou or his Partner must Survive the Game. It's your call. Lou is the COOL!! Kid and I am so glad to be able to play this
