In the distant future of NEO Town, the "river of time" is flowing. As the river flows, the world is being drawn and changed by the flow of time. One day, citizens of NEO Town gathered to witness the flow of time. A wave of historical events was unleashed. Players were drawn into the historic flow of time in NEO Town. Iga and Enix announced the release of the fifth installment in the The Legend of Heroes: The Trails series. Trails of Cold Steel III ♦Esteemed game producer Keiji Inafune comments, "We finally released The Legend of Heroes: Trails of Cold Steel III in May 2017. We have been wanting to show off the conclusion of the narrative about Adell and his companions to the best of our ability. We hope you will enjoy the final episode." The story revolves around one character who holds the power of the Kingdom of Erebonia and the region surrounding it. Within this world of time, the old power war between Ivalice, Erebonia, and the Empire of Galway continue. The protagonist, Adell Christof, is a student from the Ivalice Academy who takes up the mantle of the Brigade Commander. Along with the coming of the Aurora's Light, a strange girl comes along and offers to join the brigade. Her name is Linhardt, a girl from Ivalice who had an illness that didn't allow her to play the violin. She also has the ability to change time. With the help of this mysterious girl, Adell embarks on a quest to set things straight once and for all. Plenty of new story elements and battle elements were added to the game, including the addition of an augmented battle system. The way you play the game has changed, and the battle system is more exciting than ever. The latest title also has new elements for you to look forward to. New classes, a special weapon, and jobs were added for both characters, as well as various other elements. Skyrim™ The day has come to revisit a world of the Elder Scrolls in Skyrim™ Special Edition! Over twenty years after the disappearance of its creator and the Dragonborn race's greatest hope, the return of the Dragonborn gives hope to Skyrim's hero. As you travel through Skyrim, the deserts of Morrowind, the fjords of Hammerfell, and
