my love of not only the collection but the artist's vision." Tyler served on the jury that awarded the Pierre de Lune the Annecy International Animated Film Festival's Grand Prix award. Tyler suggested that by choosing Léon Morin, the character of the film was based on himself. Soundtrack The music for the film was composed by Danny Elfman and Danny Elfman & The Oompa Loompas. Elfman based the "audiences and cinemagoers" passage on the music that he used to score the film Wayne's World (1992) and named it "Perpetual Motion Machine". He developed it by combining the music from both "banana bumper" compilations, titled Eternal Motion Machine (1984) and Pardon My French (1987). The Oompa Loompa song "SpongeBob's Champion!" is a parody of Nena's song "99 Luftballons", which Elfman has sampled on all of his albums. He was inspired to develop his parody of "99 Luftballons" by a friend who had stolen Elfman's copies of Nena's album 99 Luftballons and wanted to send him back.
