"Privately placed", "Market or public", "Over-the-counter", "OTC", "Secondary market", "Bank or broker introduced", "Broker-netted", "Open market", "Offer", "Clearance" and "Offer and Acceptance" are all commonly used, as is the FOMC monetary reference rate. **The AIFM is using Markit's Financial Services Monthly Reference RatesIn early January, Comcast Corporation made a big announcement. The nation's largest cable and media company said it would create a new trust, Comcast Next, to speed up its merger with Time Warner Cable. By the end of February, Comcast Next's first round of capital commitments totaled \$2.1 billion, according to a securities filing. Comcast Next will spend nearly \$300 million on new cable services, create 1,400 new jobs, and invest more than \$2 billion on infrastructure improvements. "Over the past five years, Comcast has made some of the largest capital investments in U.S. cable history," Comcast CEO Brian Roberts said in the filing. "These investments will allow us to offer innovative products and services to our customers and accelerate our ability to deploy our broadband, video and cloud offerings to more customers."
