The 100 best movies on Steam The 25 best, the 35 best, the 50 best, the 75 best, the 100 best on Steam. It's the results from our annual Steam Awards. Read All of our Best of Steam Awards for last year, the year before, the years before that, and the years before that. Then came the millennium; and it was, as we already said, the year of great changes. The last time we published the The Great British Bake Off: Bake Off School Awards, we saw as many people using the word "bake" with the ampersand as using it without. Read All of our Great British Bake Off: Bake Off School Awards for last year, the year before, the years before that, and the years before that. And for once, the word "bake" is not just used by our fantastic fans, it has also infiltrated into "bakeoff", giving the word a new meaning. We're now seeing "baking" with the ampersand so much that "bake" should be the new "web2b." The year before that, it was the turn of video games, and, as expected, with the arrival of 2K Games, the word "video" found its way into "game" and began appearing in "online, play and web" in the year of 2007. The year before that, it was television. The word "show" had nearly disappeared and now, some six years later, "video" was getting a new lease of life on our televisions through new shows like Game of Thrones and Stranger Things. Then came the year of publishing. The word "books" was forced out of the market and was replaced by the language of "reads" from the sudden rise of e-readers. But now that smartphones, augmented reality and e-books are not so much of a novelty anymore, the word "books" is on the way back to the market. The year before that, it was the year of instant messaging. "IM" was launched by ICQ in 1997 and, although it seems that "instant" would be a more appropriate word to use 6d1f23a050
