Alfadiag 3.4.0.1

Oct 5, 2005 » Message from euroscan: » The best for alfa romeo is FiatDiag. Everyone can say whatever they want. You said the FiatDiag is the best for the Alpha... so bring it on and let it be there. You cannot interfere with me. I tell you that FiatDiag is better because it is better. - You can use any software products that you consider the best. But in this case you are wrong. You can't say they are better because they are not the best. - But I'm telling you what I think is the best ... - I think so too. But it is not, because there are many different opinions.
