Author: Michael Vannakh Posted on April 27, 2011 "In the beginning was the Word," the Bible says. But in "Wikipedia" you can read something else: "In the beginning there was a matrix" - this is the name of an article devoted to the development of Matrix-like machines. And indeed, in the beginning there was a word - a "word-code" - with which the whole world could be created, and this Word sounded not only in the ancient Aramaic dialect, but also in a language that only specialists in cryptography know today ..
