**NEW! Download Half Life 2 Episode 3 Link Torrent**

# Download

a strange message from an old friend leads dr. gordon freeman into the depths of black mesa's research facility to investigate. half-life 2 ended with the g-man taking dr. gordon freeman into custody, but if laidlaw's fan fiction is to be believed, freeman escapes the clutches of the combine and spends the rest of his days running from black mesa security forces. the player is left with a choice: the first choice involves traveling to a ruined facility called black mesa, where the combine have been harvesting the essence of dead scientists and turning them into powered soldiers. the second choice involves traveling to the citadel, where combine forces are trying to turn the turrets on.. if you're looking for a more official word on the state of the franchise's future, you can always dig up the official valve pages that mention the subject. they don't give a definitive "yes, we're making half-life 3" answer, but do lay out a lengthy half-baked plan for it, so you can decide whether you want to fund it or not. it's the year 3167, and the world is finally at peace. robots and ai have taken over the world, and people live in walled-off, community-run safe zones. the brave heroes of the original half-life adventure series must

---

come out of hiding and fight a battle that will change everything. and it's up to you to be one of them. valve is in the process of updating the half-life 2: episode one, two, three, four, and five games to work on modern platforms. they're now available as an upgrade bundle for \$9.99 on steam. over on gol, they're available individually for \$3.99, \$2.49, and \$2.99.
