### What's New in the ATTendee Time Attendance Solution?

ATTendee Time Attendance Solution helps you keep track of the attendance and tardiness of your employees without you having to manually record these. With our app you can check, view, and search your employees' schedules and quickly find those who are present and those who are absent. The app includes an automatic check-in system that works on a timer and scans your employees' fingerprints when they enter your office, lunchroom, or campus. Our app comes with the following features: - Searches to find employee's schedules and get their contact information - Automatically checks your employee's attendance - Your employees have no need to have a smart phone to use the app - Manually changes your employee's attendance - Automatically updates your employees' schedules and makes sure that you don't forget about them ATTendee Time Attendance Solution Screenshot: ATTendee Time Attendance Solution Screenshot. ATTendee Time Attendance Solution Pricing: The app is available in the App Store for iOS and Google Play Store for Android. It is free to download and use, but there is a pro version which will set you back \$15. The pro version allows you to manage a wider database and allows you to generate reports on attendance and tardiness.
